Jockey Hollow Day Camp
Mendham, NJ

Lake Rickabear Day Camp
Kinnelon, NJ
Why Girl Scout Camp?

At Girl Scout camp, girls feel comfortable to acquire new skills in a safe and supportive all-girl environment. From a relaxed swim to teaming up on a project, camp offers girls a variety of opportunities to learn and grow inside and out.

- **Courage.** Camp is a community unlike any other. Together in an unfamiliar setting, girls find the courage within themselves to meet new people, make friends, and bond. As they make choices and direct projects, girls learn to work well with others, become self-reliant, and develop their leadership skills.

- **Confidence.** For many girls, camp has unlimited potential to unlock or boost a girl’s confidence. Girls have the opportunity to try new things and test their limits.

- **Character.** Camp is the ultimate character-building experience. It is a safe place for girls to learn individual responsibility and work as part of a team.
**Jockey Hollow Camp**  
*Mendham, New Jersey*

At Jockey Hollow Camp, girls have 212 pristine acres to explore, play, and learn.

Camp days are filled with swimming, hiking, outdoor cooking, arts and crafts, stream exploration, environmental education, archery (for girls entering grades 2 and up), low ropes challenge course, and zip line (for girls entering grades 4 and up). Girls can also enjoy our playing field, GaGa pit and adventurous hiking trails. Horse lovers can sign up for a special equestrian program where girls spend time at the corral with the horses or ponies. Girls receive American Red Cross swim lessons and enjoy a free swim daily in our large L-shaped swimming pool. The fun is endless!

**Lake Rickabear Camp**  
*Kinnelon, New Jersey*

Our 332 acres at Lake Rickabear include a beautiful 40-acre, spring-fed lake, perfect for kayaking, canoeing, pedal-boating, and paddle boarding.

A long stretch of soft, sandy beach lines our swimming area, where girls not only splash and play, but also receive daily American Red Cross swim lessons from certified lifeguards, as well as free swim.

Each day is filled with activities like nature exploration, arts and crafts, boating, and archery (for girls entering grades 2 and up), as well as themed activities and special All-Camp activities. We also have a zip line (for girls entering grades 4 and up) and a low ropes challenge course to help girls learn teamwork and self-confidence.

“My daughter’s level of independence always grows when she has been to camp.”

Registration Tips

Payment Schedule
All payments are to be charged with a debit/credit card online. To pay the balance, return to the online summer camp registration website any time, but no later than May 30, 2018 and pay with your debit/credit card. All registrations submitted after May 30, 2018 must be paid in full at the time of registration.
Do you offer financial assistance?
Finances should never be an obstacle to a summer camp adventure! Any GSNNJ registered Girl Scout may apply for financial assistance. Each family’s request and the availability of funds determine the amount granted. Download the Girl/Adult Financial Assistance (GAFA) form from the GSNNJ website and submit it with your registration receipt. The $75 deposit is required and can be refunded if sufficient financial aid is not available. Our deadline for financial assistance applications is April 2. No applications will be accepted after that date.

What will my daughter bring home to remember her fun time at Girl Scout Camp?
Each session, your daughter will come home with a free photo of her unit. She will also receive a free t-shirt the first session she attends summer camp. Our Trading Post (camp store) will be open to purchase camp memorabilia such as clothing, key chains, jewelry, stuffed animals, etc.

Can my camper be in the same unit as her friend?
Girls like to make new friends at camp. But we also know that some girls want to be with a particular friend, so we will try to accommodate a request to be placed with a buddy. Girls wishing to be buddies must be in the same program and cannot be more than 1 grade apart. Only one buddy can be requested and it must be reciprocal on the buddy’s registration.

What if the program I want to register for is full?
If a program appears full, complete the wait list form online at www.gsnnj.org>camp>summer camp. If space becomes available, girls will be placed in the session in the order their names were received. Parents/guardians will be called about any new openings. A return call to the office must be made within 24 hours to keep her space in the session.

If I didn’t register for an overnight at the time of registration, is it too late to sign up?
If there is availability, we would be happy to add your camper. Registration for the overnight closes 16 days prior to the beginning of the camp session. Please email customercare@gsnnj.org.

My daughter is having a great time at camp. How can I sign her up for additional sessions?
If there is availability, we would be happy to register your camper for an additional session. Registration closes 16 days prior to the beginning of the camp session. Please email customercare@gsnnj.org.

I have not received an email or a packet of information since the registration confirmation email. Is there anything I need to know before the camp session begins?
The camp director will send an email 1-2 weeks prior to the start of the session with information such as Remind.com (bus delay notifications) and more. In the meantime, please view our Parent Guide which can be found at www.gsnnj.org>camp>summer camp.

My daughter is working towards earning the Goal Getter incentive. How do I register her for camp?
You will receive an email in February with directions to help you with the registration process. If you want to reserve your spot in a specific session, you can register online and pay your $75 deposit. Your deposit will be refunded if she earns Goal Getter status.

Goal Getters Go To Camp For Free
How can my daughter earn her free week?
Earn a FREE week valued at $320 at GSNNJ Summer Camp by participating in the Fall Sale and Cookie Program! Just complete the following three steps to qualify:
1. Sell 6 Magazine Items and 30 Nut/Candy items between October 1 and October 22 during the 2017 Fall Sale Program
2. Sell 175 Boxes of Girl Scout Cookies during the initial order period in 2018 (January 13-February 11). If not participating in the Fall Sale, girls must sell 550 packages of cookies during the initial order. Digital Cookie and traditional orders count!
3. Do a service project in your community with a minimum of 3 hours of service time and submit the summary form that can be found on our website. Service projects must be completed by February 1st; summary form must be received by February 5th.

Service projects can be done as a troop, however each girl must complete the sales requirements and service hours individually.
TRANSPORTATION

Bus transportation to and from camp is included in the camp fee. Buses arrive at camp between 8:50 and 9:00 a.m. and leave camp at approximately 3:45 p.m. A bus stop (or parent transport) must be selected at the time of registration. Bus times may vary due to traffic and weather conditions. An email will be sent with directions on how to register for remind.com (bus delay notifications) prior to the start of each session. A bus counselor is present on each bus.

Buses cannot wait beyond the scheduled times, so please arrive at the bus stop 10 minutes prior to pick-up and drop-off times. For the safety of our campers, an authorized adult must present a photo ID when picking up a camper each day.

Arriving and Departing by Car: Campers transported to camp by a parent/guardian should arrive between 8:30 and 8:45 a.m. and should be picked up at 3:35 p.m. For campers being transported by a parent/guardian, select Parent Transport during online registration.
