

GSNNJ has a continuing need for dedicated, energetic people who would like to share their experience and provide training to other volunteers. We provide Girl Scout training to our volunteers to maintain a safe environment for girls. This training provides the participants with the opportunity to enhance their own personal and professional growth.

Volunteer training opportunities are available in the following areas:

- Girl Scout Daisy
- Girl Scout Brownie
- Girl Scout Junior
- Girl Scout Cadette, Senior and Ambassador
- Troop Camper Certification
- Extended Trips
- American Red Cross CPR/AED/First Aid

If you are interested in pursuing this opportunity, please contact Janice Fowler at (201) 967-8100 ext. 234 or jfowler@gsnnj.org.

Thank you!
