- 2021 Theme
- Why participate?
- How to participate
- M2 System access
- Emperor Penguin facts
- Important dates
- Product Program Team

## Troop Fall Product Program Managers:

You are an integral part of the Fall Product Program. We appreciate all you do! The Tip of the Week newsletter is designed with you in mind. Providing you with timely information for a successful program. More information can be found at [www.gsnnj.org](http://www.gsnnj.org)

## Rise Up!

Participating in this program means you are directly impacting the future of girls by:

- Facilitating the girl-led entrepreneurial program in the fall.
- Assisting girls in earning funds to support their amazing girl-led adventures and service opportunities locally, nationally, and globally.
- Providing girls with the opportunity to share their skills to make the world a better place.

Your leadership will help girls to Rise up! and help make their dreams come true.

## Participation

### In-person

Girls can ask friends and family to support them and your troop by purchasing from a selection of 16 nut and chocolate items from the order card.

### Online

Girls will set up their online storefront, design an Avatar and start sharing their site with friends and family. Customers can purchase magazines and nut and chocolate items to be delivered by the girl or have them shipped to their door.

## M2 Online System access

- **Troops:** An access email will be sent to a registered leader of each troop. Follow the link to access the M2 system. If this person is not the fall manager for the troop, they can add the correct person which will trigger an access email. Admin site is [www.gsnutsandmags.com/admin](http://www.gsnutsandmags.com/admin)
- **Girls:** All registered girls will be uploaded into the system and will receive a welcome email on October 1. The troop fall manager can also send a launch email to girls who have been added to the system **OR** girls can register directly at [www.gsnutsandmags.com/gsnj](http://www.gsnutsandmags.com/gsnj).

## Meet Piper, the 2021 Fall Product Program mascot!

Piper is an Emperor Penguin. Here are some fun facts about her.

- There are approximately 595,000 adult Emperor penguins in Antarctica.
- It's the only animal to inhabit the open ice of Antarctica during the winter.
- They face wind chills as cold as  $-76$  Celsius and blizzards of 124 mph.
- Four layers of scale-like feathers protect them from icy winds and provide a waterproof coat.
- Colonies of adults and chicks work together to huddle for warmth. 5,000 or more tightly packed adults and chicks shuffle around, so each takes a turn - but not too long—on the outside of the huddle where its cold.

## Important Dates

- **October 1—24:** Girls take in-person and online orders.
- **October 25:** Parents enter in-person nut card orders in M2OS.
- **October 26:** Troops enter/edit in-person orders by midnight.
