There are still plenty of Council-secured Booth Sale locations available, and troops are welcome to sign up for as many as they can handle. Click on the Booths Tab in eBudde to secure your locations today!

Use the Digital Cookie Mobile App to process orders at your Booth Sale. Every Girl Scout in your Troop can use the app at the same time, making it super easy to handle all your customers. Detailed instructions can be found on the Help Screen in Digital Cookie and in the eBudde Help Center.

Follow these steps when taking orders at your Cookie Booth.

Step 1: Start My Booth Sale
Login to the Digital Cookie App, select the Troop Site and Booth Sale, then click "Start my Booth."

Step 2: Select Cookie Varieties
Use the "+" and "-" buttons to enter quantities, then click "Checkout."

Step 3: Review Order and Select Payment Type
Choose from cash, credit card, Venmo, or PayPal.

Step 4: Finalize the Payment and Order
Follow the screen prompts depnding on which payment method is selected.

Your Booth Sale will remain open on the app until midnight the same day. You can view a Booth Summary at any time on the app to check your sales totals. When your Booth Sale has ended, you will need to login to eBudde and distribute the cookies sold to the Girl Scouts that particiapted. This is done on the Booth Sales tab in eBudde.

Money Matters

The Initial Order payments will be processed via an ACH transaction the week of March 16. The amount due is for offline Initial Orders, less Troop Proceeds. The Troop Sales report in eBudde shows the amount due for this payment. Look for the line that reads "Initial Order Payment ACH." If the amount is negative (-), your Troop does not owe anything at this time. If the amount is positive, this is what will be debited from your Troop Account.

Please make sure the bank account information listed in eBudde is correct. If you need to make changes, please submit a new ACH authorization form as soon as possible to avoid any payment issues.
