December Edition

The Girl Scout Cookie Season is right around corner!

The 2024 Girl Scout Cookie Program begins on January 9. **New Troop Cookie Managers are invited to a virtual training on January 3.** On January 4 we will host a training refresh for “seasoned” Troop Cookie Managers. **Please use this link to register for one of the training sessions.** <https://gsnnj.jotform.com/233203681845961>

- Troop Cookie Managers must be registered with a background check submitted. This is a great volunteer role for an adult in your troop.

Are all your girls registered?

Girls must be registered in order to participate in the cookie program. Make sure every girl/adult participating in your troop is properly registered by viewing your roster in the Volunteer Toolkit (VTK).

To view your roster:

1. Go into your **MyGS** account.
2. Click on **My Troop(s)**, then **click on your Troop number.**
3. The top portion of this page has your troop information as well as all leader information. Scroll down.
4. From here, you can **see the girls and adults that have registered** for the 2024 membership year.

Have questions on a registration or need help registering? Please contact Customer Care at (973) 248-8200 or at customer care@gsnnj.org for assistance.

Need help recruiting girls to join your troop?

Have you updated your Troop's Information?

Complete the [Troop Information Update Form](#) as soon as you have determined your troop's meeting day, time, location and/or the number of additional girls your troop is open to.

- All new troops are automatically displayed in the Participation Catalog with openings for up to 12 girls. Submit this form with any changes to your troop's information as needed.

Have you seen the information on the Monthly Supply Boxes?
