

## We have a challenge for you!

# My Family Story Challenge

**Learn about your family history!**

- 1. Explore family stories**
- 2. Know where your family is from**
- 3. Make a story tree and family crest**
- 4. Find an object that means something to your family**
- 5. Share @gsnnj**

While we are home, let's learn about yourselves and your family's history. Make it a family affair! Explore your family's story, learn where they are from, create your own story tree, and find an object that means something special to your family. Share with us @gsnnj

### Supplies:

- Markers, Crayons, Colored Pencils etc.
- Poster board or cardboard
- Old magazines
- Glue sticks and real sticks (if available)
- Scissors
- Paper
- Ruler
- Funny family photos
- Hats, scarves, funny props

Ask your family members questions about your family. Where is your family originally from? How did your family come to the United States? How many generations can you trace your family back to?

Create your family story tree and crest. Try to trace your family back as far as possible and include something special about each person on your tree.

Look at old pictures and recreate what you think was happening in the photo by acting it out. Make it fun and use some props.
