

We have a challenge for you!

Talk It Up Challenge

Let's get talking!

- 1. Decide how to use cookie money**
- 2. Talk about how to use cookie money to help others**
- 3. Inspire customers**
- 4. Share @gsnnj**

You're already a cookie entrepreneur and part of the largest business in the world run by girls. What will you and your troop do with the cookie money earned this year? Do you plan to donate, go on a trip, buy badges, save it for next year, or something else? What will you and your troop choose to do? Share with us at [gsnnj](https://www.gsnj.org).

Supplies:

- Paper
- Markers, pencils, pens, etc.
- Phone or computer (to talk with your troop)

Start the conversation about your cookie program funds with your troop and leaders. What is your personal cookie money earning goal for this year?

Part of what Girl Scouts do is help others and make the world a better place by taking action. This means you find a place or people that need something. Then you come up with a way to help them and put a plan into action.

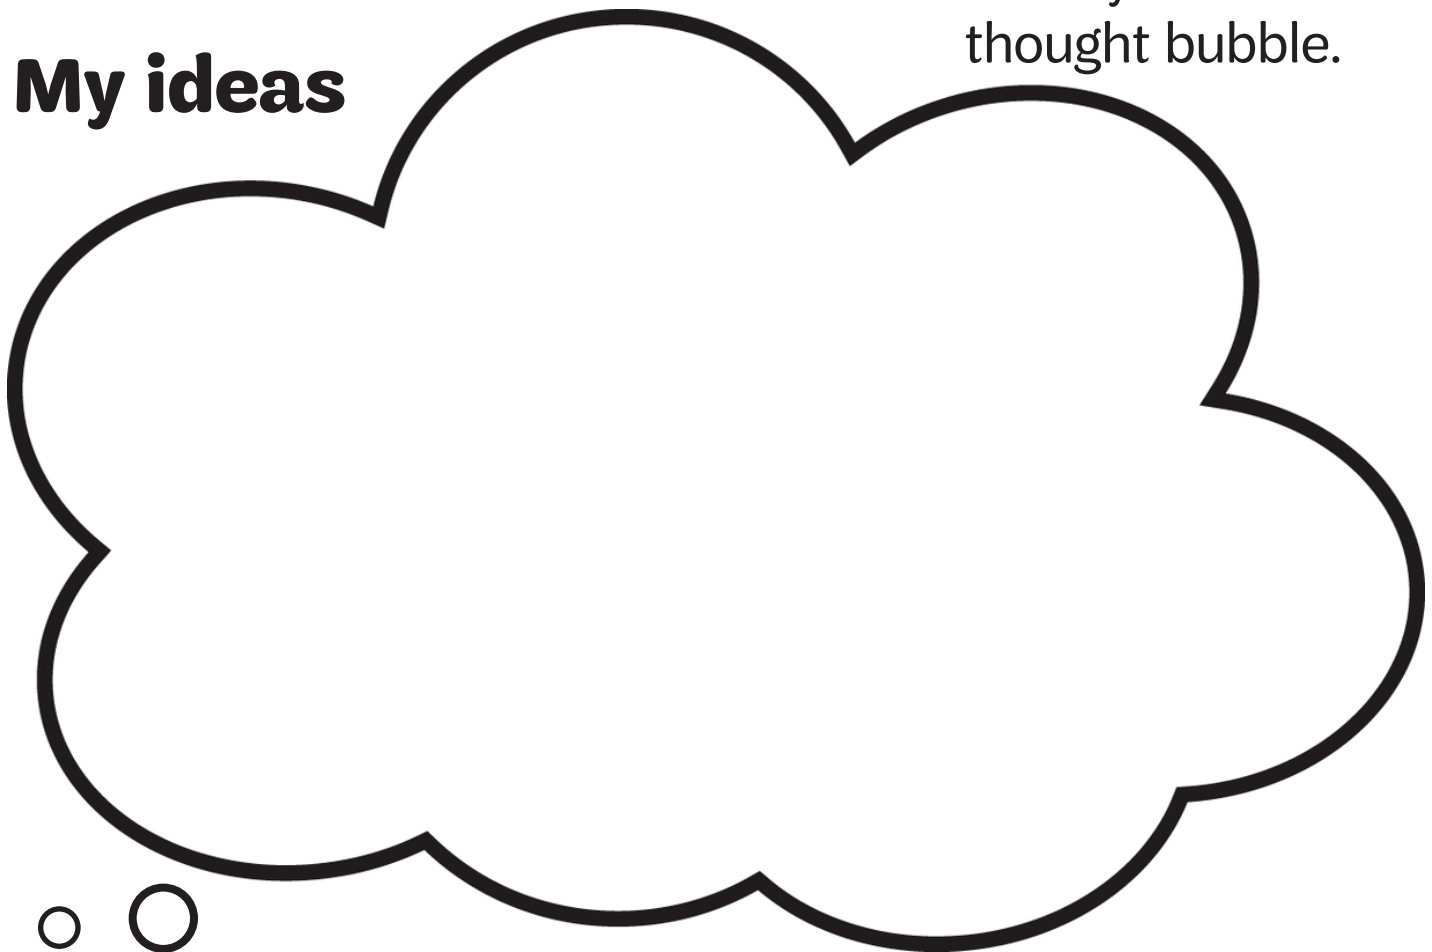

This might mean using some of your cookie earnings to help buy supplies for animals at a shelter or for people in need. There are so many things you can do!
