

Women in STEM

Meet Erin McCullough, Gold Award Girl Scout and senior at NJIT! Miss McCullough will present a behind the scenes of the life of a Chemistry major. She is the former Captain of FIRST Robotics Competition Girl Scout Team 4575 “The Tin Mints.” Her unique perspective is designed to help pave the road for others!

Zoom Nights are hosted by FIRST Tech Challenge Robotics Team 17009 “Steel Magnolias” and FIRST Robotics Competition Team 4575 “Tin Mints.” Both teams are Girl Scout teams! Join other Girl Scouts from around the USA who share your curiosity. A question and answer session will follow the presentation.
