

Fall Product Program Troop Guide

The Fall Product Program is an integral part of a Girl Scout's journey toward leadership.

Participants will learn and develop skills such as:

Goal Setting * Decision Making * Money Management * People Skills * Business Ethics

It's also an easy, fun way to earn startup funds for your troop activities at the beginning of
the Girl Scout year. Our theme is "Embrace Possibility." Let's get started!

- 4. Launch the PAEC (Parent/Adult Email Campaign) to the girls in your troop.
