2025 Service Unit Member Recruitment Campaigns

Each Service Unit has a “SU Name or town” Member Recruitment Unit campaign.

Ex: Allendale Member Recruitment Campaign

- Recruitment Campaigns are used as a “holding place” while troops are being formed and for girls looking for a troop.
- SU team members can direct potential volunteers and girls to register to this campaign.
- The SU Campaign Admin role - monitors the recruitment campaign and will receive an auto email after a new member completes a membership purchase.
- Would you or another SU Team member like to be added as the SU Campaign Admin so you receive the emails containing contact information of the new member? If so, email customercare@gsnnj.org stating SU Team volunteer to be added to the role.

Troop Camping and Service Unit Encampments

Spend a night or weekend with your troop at Jockey Hollow or Lake Rickabear! Each camp has something unique to offer. This is a great way for girls to learn about the outdoors and bond with their sister Girl Scouts.

Service Unit encampments can be held at both of GSNNJ's camp facilities (capacities range from 150 to 300). Food service is available for groups of 50 or more.

Day Use for Troops

Looking for outdoor activities for your troop or an idyllic Bridging Ceremony Location? Working on an Outdoor Badge? Consider Jockey Hollow or Lake Rickabear for your Troop's day use needs!

From archery and zipline, to water activities like swimming and boating, your troop can still get the full camp experience without staying the night.
